*Daily Value not established.

SuperAvengers fights free radical activity in the body with its powerful antioxidant formula. Free radicals cause damage to the human body and may contribute to the acceleration of many diseases.

A close look at the ingredients in Super Avengers reveals a powerful supply of OPCs, curcuminoids, vitamins C and E, selenium, ginkgo biloba, and extracts from apricot, nectarine, prune, and grape skin. Another important ingredient is the 325mcg of elemental chromium provided in each caplet.

Directions for use

Take 6 to 10 caplets daily in divided doses for a week. Then continue taking 2 to 4 caplets daily as a dietary supplement.

Protect from heat, light, and moisture. Store at room temperature. For adult use only. Always consult your healthcare professional before taking any dietary supplement.
